Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a leading anti-microbial technology company, operating globally in the Food, Industrial, Healthcare and Consumer sectors, providing a low toxicity product with a broad-based and long-lasting efficacy across all microbial classes; bacteria, viruses, fungi, moulds, mycobacteria and algae.

Powerful, long-lasting and gentle, Byotrol's products can be used stand alone or as an ingredient within existing products, where Byotrol can significantly improve their performance in personal hygiene, domestic and industrial disinfection, odour control, food production and food management.

Founded in 2005, the Company has developed the technology that creates easier, safer and cleaner lives.
