EXPLANATORY NOTES:

Resolution 5 – Directors' power to allot securities

Under section 551 of the Act, shares may only be issued with the consent of the shareholders, unless the shareholders pass a resolution generally authorising the directors to issue shares without further reference to the shareholders. As well as authorising the allotment of shares, this resolution authorises the general issue of a number of shares equal to one third of the issued ordinary share capital of the Company at the date of the meeting and a further issue of a number of shares equal to a further one third of the issued share capital of the Company at the date of the meeting for the purposes of fully pre-emptive rights issues. Such authorities will expire at the conclusion of the next annual general meeting of the Company or the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).

Resolution 6 – Disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. As well as authorising the allotment of shares, this resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot a number of shares equal to 15 per cent of the issued share capital of the Company at the date of the meeting, subject to resolution 5 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire on the conclusion of the next annual general meeting of the Company or on the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).
